

Drink Haiti Hope. Give Haiti Hope.

100% of profits of Odwalla Mango Lime-Aid go directly to the Haiti Hope Project. This effort is committed to helping more than 25,000 Haitian farmers develop a modern and sustainable mango industry and bring a new era of prosperity to their country. The Haiti Hope Project is administered by TechnoServe, a non-profit with an amazing track record of helping developing countries build economically viable businesses. Refresh yourself. Nourish a nation. You can learn more at [Facebook.com/Odwalla](https://www.facebook.com/Odwalla)

Haiti Hope is a project with TechnoServe to build a sustainable mango industry with Haitian farmers
